 Subj: STARFLEET RETIREMENT PROCEDURES
 Date: 12 January 2145

This memo establishes the procedure for the retirement of Starfleet members following a career in the Earth Starfleet. For the purposes of retirement, a Starfleet member will be required to complete thirty years of active-duty service. Service on detached duty will be considered while inactive service will not be creditable towards retirement.

For personnel who have received advanced rank, six years of calculated service will be added for appointed Lieutenants, eight years for Commanders, and twelve for appointed Captains. Personnel resigning from Starfleet prior to retirement will be considered discharged unless Early Retirement is requested by special request to the Chief of Starfleet Administration.

The maximum allowed age for Starfleet members will be eighty-five Earth years, at which time mandatory retirement will occur unless a service extension is approved.

 Subj: CREWMAN APPLICATIONS TO STARFLEET OFFICER SCHOOL
 Date: 8 April 2145

By direction of the Chief of Starfleet Operations, this memo establishes the procedures for the enrollment of Starfleet Crewman into the Starfleet Officer Candidate Course for the purpose of obtaining a commission as a Starfleet officer.

Starfleet Officer Candidate Classes may consist of no more than five percent prior service Crewman personnel. Selection for Officer Candidate training is to be considered competitive, and all Crewman applicants must:

- 1) Have served a minimum of four years as a Starfleet Crewman
- 2) Hold at least a B level maintenance and computer score and a level 2 damage control rating
- 3) Have completed the Starfleet Officer Aptitude Test (SOAT) in the upper tenth percentile
- 4) Hold a recommendation from the service member's chain of command

Crewman applications for Starfleet Officer Candidate School shall be submitted via SF Form 8 (Special Programs Request) until such time as more specific application form is developed.

 Date: 17 October 2145

By direction of the Starfleet Chief of Staff, this memo establishes the rank of Senior Crewman for award to Starfleet enlisted personnel under the following conditions.

Senior Crewman is a meritorious promotion issued with regard to sustained exceptional and meritorious service.

The rank is eligible for Starfleet Crewman with a minimum of four years service in an enlisted capacity and by recommendation to Starfleet Administration from the service member's senior most officer of their immediate chain of command.

Nothing in this order shall alter or impact the procedures for Starfleet Crewman applying for entry into the Starfleet officer training program. Senior Crewman is not a prerequisite for this position, but may be considered favorable in the course of application reviews.
