 Subj: STARFLEET OFFICER COMMISSIONS FOR GENERAL PUBLIC APPLICANTS
 Date: 17 May 2143

By direction of the Starfleet Command Council, all Starfleet major divisions and offices will begin procedures to offer Starfleet officer commissions to the general public. This order shall terminate the restricting of Starfleet commissions to prior service members of the United Earth Space Probe Agency, the Earth Cargo Service, and MACO; however, applications and direct commissions from these organizations will be unaffected and may continue.

It is so directed that Starfleet officer commissions will be offered to the public through Starfleet Officer Candidate training by the end of this calendar year (2143). Starfleet Operations, Starfleet Training, and Starfleet Administration are directed to create appropriate policies and procedures for this endeavor.
